Backing onto Pat Gorman Park with no rear neighbours, this fully developed 1,636 sq. ft. modified bi-level offers a functional layout and family-friendly setting. Featuring 5 bedrooms, 3 bathrooms, and a den, the main floor presents an open-concept design with a bright kitchen complete with espresso cabinetry, stainless steel appliances, corner pantry, tiled backsplash, and a central island with eating bar. The dining area provides direct access to a two-tiered deck with views of the park. The living room showcases vaulted ceilings and a gas fireplace. The primary bedroom is privately located on its own level and includes a walk-in closet and ensuite with double sinks, jetted tub, and separate shower. The fully developed basement offers a large family room, two bedrooms, and a full bathroom. Heated triple car garage adds to the functionality and appeal of this property.
