Located in Crystal Heights this two-storey home offers a well-organized living space across two floors, featuring 4 bedrooms, 3 bathrooms, and a dedicated exercise room. The main floor includes an open-concept kitchen and living room. The kitchen is appointed with warm wood cabinetry, tile backsplash, stainless steel dishwasher, and ample counter space, while the living room benefits from a large window that fills the space with natural light and features durable new laminate flooring. The main floor also includes a full bathroom with a wood vanity, large mirror, and tub-shower combo. Bedrooms on the upper level feature laminate flooring, neutral tones, and windows providing natural light. The primary bedroom features a massive walkin closet & 4 peice ensuite bathroom. The lower level is home to the exercise room, finished with light vinyl plank flooring and a sleek bathroom with a glass-enclosed shower and dark granite countertop vanity. A utility and laundry room rounds out the lower level. Throughout, the home features consistent laminate flooring, neutral paint tones, and a practical layout suited for family living. Backing on to no rear neighbors, don't delay getting in to view this well cared for home, today!
